High resolution varifocal security camera with 35 IR LEDs

General information

This high resolution varifocal security camera is equipped with the Sony Exview HAD CCD image sensor and the Sony Effio Digital Signal Processor (DSP). The-state-of-the-art technology is able to achieve a resolution of 700 horizontal TV lines. The Effio DSP offers enhanced features such as 2D noise reduction, excellent colour reproduction and adaptive tone reproduction. All features can be set in the OSD menu to get the best results in every situation and in every camera position. Executed in a weatherproof metal housing for indoor and outdoor use.
